. . . And It Makes Me Wonder . . .

If There's A Bustle In Your Hedgerow
Don't Be Alarmed Now
It's Just A Spring Clean For The May-Queen
Yes There Are Two Paths You Can Go By
But In The Long Run
There's Still Time To Change The Road You're On

Your Head Is Humming And It Won't Go
In Case You Don't Know
The Piper's Calling You To Join Him
Dear Lady Can You Hear The Wind Blow
And Did You Know
Your Stairway Lies On The Whispering Wind

And As We Wind On Down The Road
Our Shadows Taller Than Our Soul
There Walks A Lady We All Know
Who Shines White Light And Wants To Show
How Everything Still Turns To Gold
And If You Listen Very Hard
The Tune Will Come To You At Last
When All Are One And One Is All
To Be A Rock And Not To Roll

There's A Lady Who's Sure
All That Glitters Is Gold
And She's Buying A Stairway To Heaven
And When She Gets There She Knows
If The Stores Are All Closed
With A Word She Can Get What She Came For

There's A Sign On The Wall
But She Wants To Be Sure
Cause You Know Sometimes Words Have
Two Meanings
In A Tree By The Brook There's A Songbird
Who Sings
Sometimes All Of Our Thoughts Are Misgiven

There's A Feeling I Get
When I look To The West
And My Spirit Is Crying For Leaving
In My Thoughts I Have Seen
Rings Of Smoke Through The Trees
And The Voices Of Those Who Stand Looking

And It's Whispered That Soon
If We All Call The Tune
Then The Piper Will Lead Us To Reason
And A New Day Will Dawn
For Those Who Stand Long
And The Forests Will Echo With Laughter

The Goden Eagles on their way to an impressive 18-6 record also grabbed a share of the South Florida Conference Crown for the second time in four years. Only once since 1947 has the basketball team, the Eagles oldest varsity sport, won more games. The Eagles also laid claim to their third Collier County Championship in as many years.

The Naples High School Key Club was founded in 1958 by the members of the Naples Kiwanis International Club. Since then, the Key Club has provided many valuable services and functions for the school and community.

For example, this year the club had a number of midnight movies, painted the eagle in front of the school, cleaned up and edged the front circle, rang the spirit bell at the games, changed the marquee sign outside the library, helped the ladies of the Naples Community Hospital Auxiliary at the White Elephant sale, and collected and guarded the wood for the Homecoming Bonfire.

The officers this year are: Steve Shepard, Tad Wise, Mark Brandon, Chuck Smith. (Sweetheart — Barbara Stoddard)

The Neapolitan

The Neapolitan Staff is proud to present the theme of our 73-74 Yearbook, "Stairway to Heaven." Over the year we have compiled our ideas together. As a result of this we feel this to be one of the finest yearbooks in N.H.S. History.

We greatly appreciate the hard work, patience, and help that our advisor, Ron Ianarone has given to us.

A Visit, From Governor Askew

On November thirteenth Naples High School was the scene of an extremely important event. Governor Reuben Askew and his cabinet met at our school to allow citizens to express their opinions on the Big Cypress Issue. It was quite an historical event due to the fact that this was the first time ever that a governor and his cabinet have met outside of Tallahassee for a public meeting. N.H.S. was chosen as the site because Collier County was the area of critical concern and the school was the best available site.

Mr. Magero and Mr. Manley allow themselves to be hit in the face with pies . . . All for the good of the school . . . Of Course.

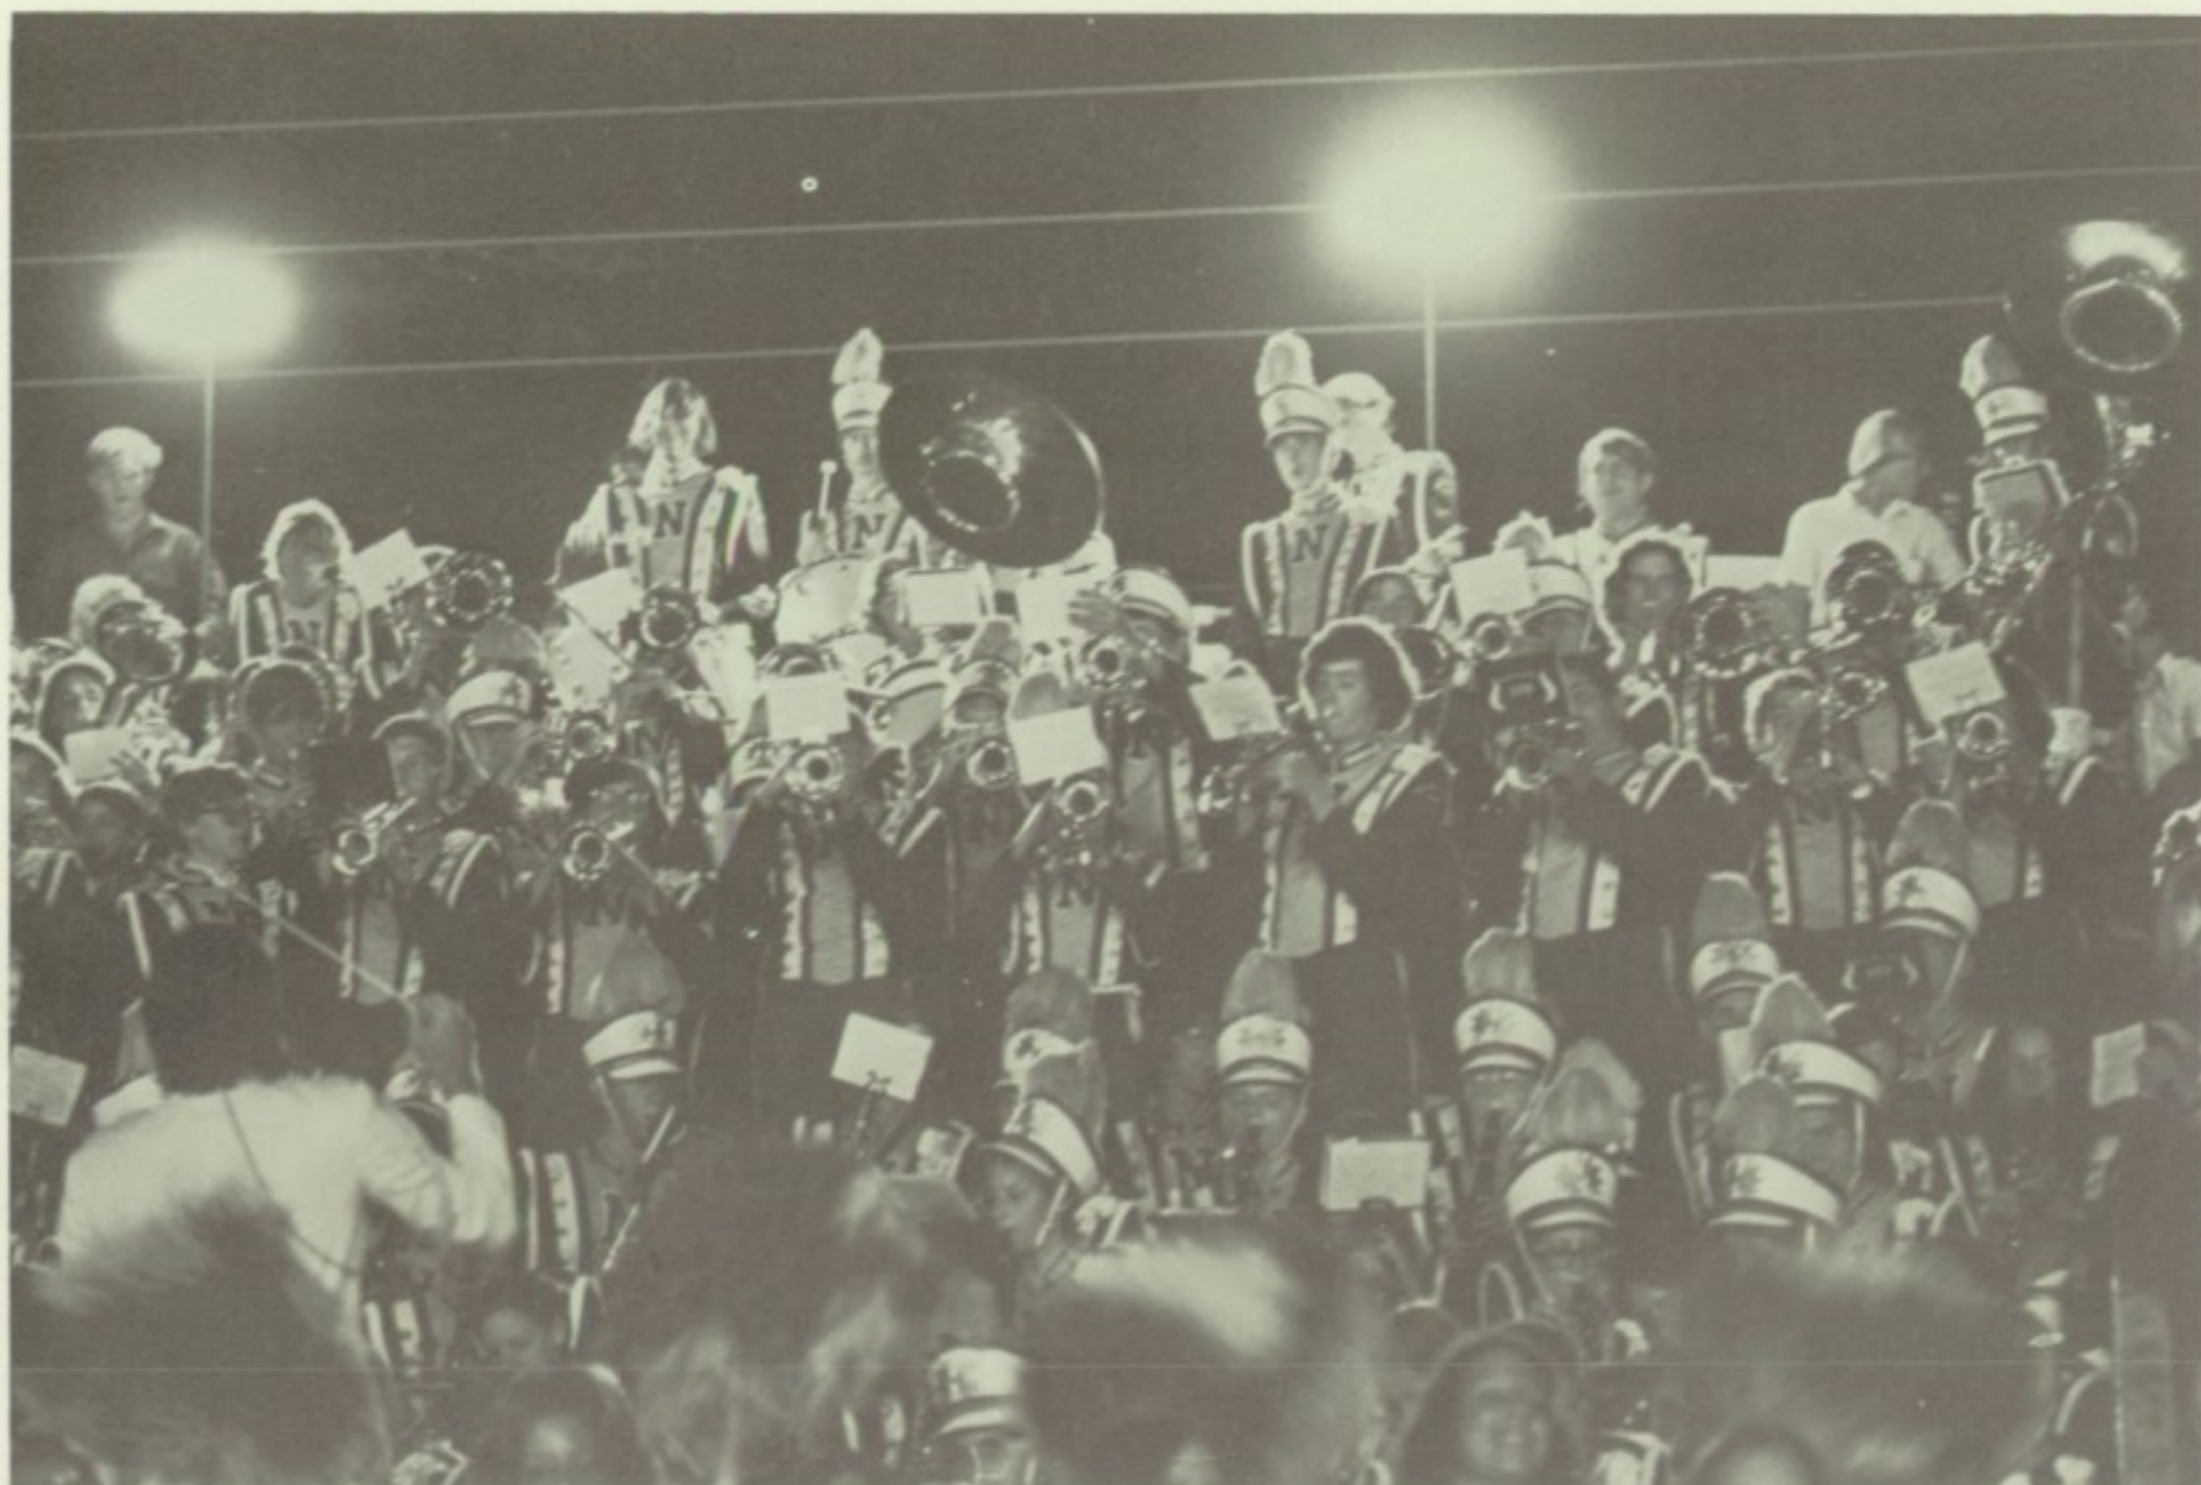

Sadie Hawkins Day

As legend would have it Sadie Hawkins Day is the one day of the year when the girls have the opportunity to chase the boys. If a girl manages to catch her prey she has caught herself a husband. Naples High School has its own brand of this Al Capp invention complete with Marryin Sam, Moonshine, authentic costumes, and the jail.

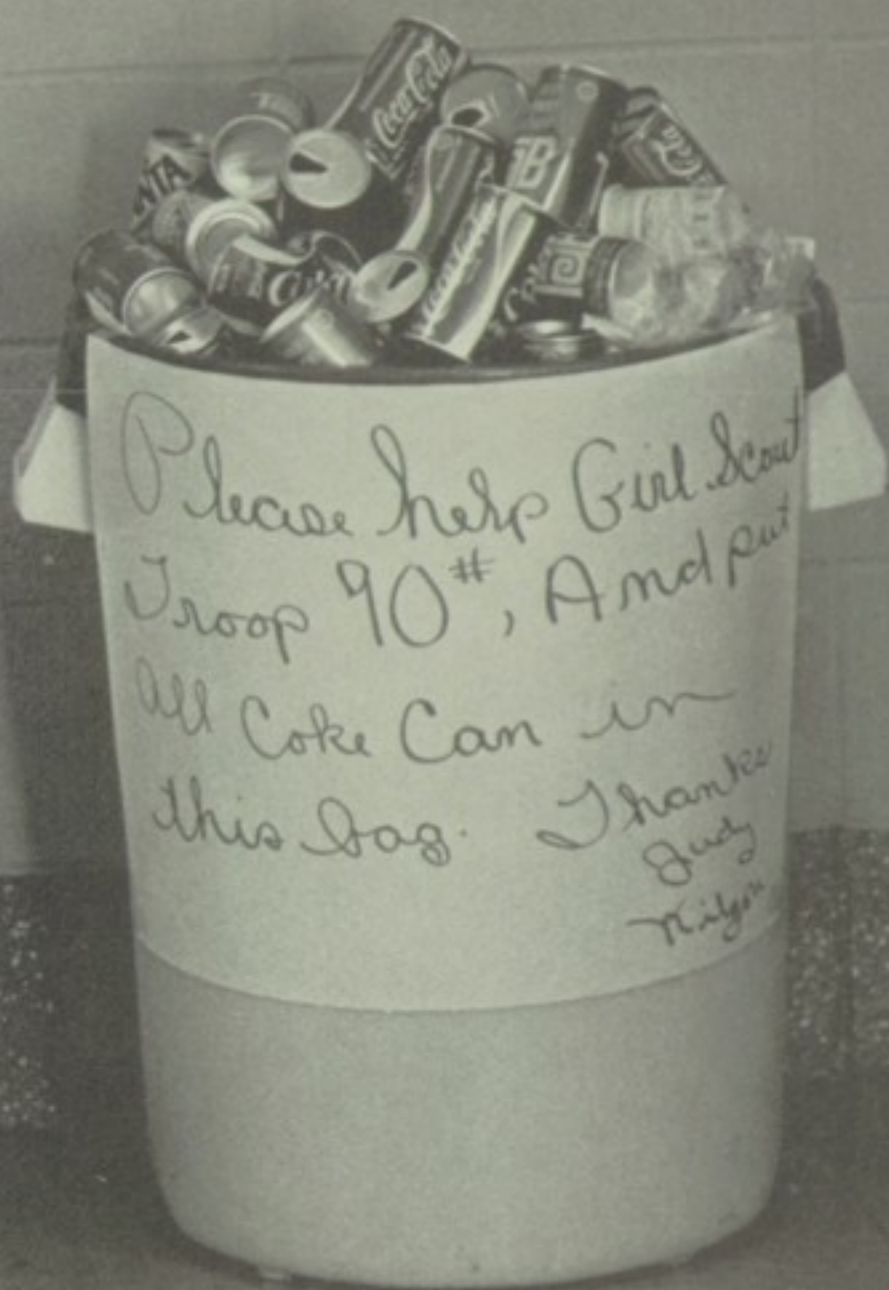

The band, under the able direction of Mr. Jerome Edwards, was present at every football game, either at home or away. They provided half time entertainment that was both creative and musically excellent. The pep band helped to raise the spirit of the students at both the pep rallies and basketball games.

We sincerely hope that you are as pleased with this 1974 edition of the Neapolitan as we are. Much work has gone into recording this school year for your remembrance.

This school will soon forget you, and we hope that through this yearbook, you will not soon forget it. This is your yearbook, this was your year.

A large, dark, dramatic cloud formation dominates the upper two-thirds of the image. The clouds are thick and textured, with some lighter areas where the sun's glow is breaking through. Below the clouds, the horizon line is visible, and the ocean surface is covered in small, shimmering waves reflecting the light from the sun. The overall color palette is muted, with greys, blues, and soft yellows.

Class Flower: Gardenia

Class Song:

We May Never Pass This Way Again
Life — So they say
Is but a game and they let it pass away
Love — like the Autumn sun
Should be dying but it's only just begun
Like the twilight in the road up ahead
They don't see just where they're going
And all the secrets in the universe
Whisper in our ears and all the years will come and go
And take us up always up
We may never pass this way again
We may never pass this way again
We may never pass this way again
Dreams — so they say
Are for the fools and they let them drift away
Peace — Like the silent dove
Should be flyin' but it's only just begun
Like Columbus in the olden days
We must gather all our courage
Sail our ships out on the open sea
Cast away our fears and all the years will come and go
And take us up always up
We may never pass this way again
We may never pass this way again
We may never pass this way again
So I wanna laugh while the laughin is easy
I wanna cry if it makes it worthwhile
I may never pass this way again
That's why I want it with you
Cause you make me feel like I'm more than a friend
Like I'm the journey and you're the journey's end
I may never pass this way again
That's why I want it with you baby
We may never pass this way again
We may never pass this way again
We may never pass this way again

. . . And It Makes Me Wonder . . .

If There's A Bustle In Your Hedgerow
Don't Be Alarmed Now
It's Just A Spring Clean For The May-Queen
Yes There Are Two Paths You Can Go By
But In The Long Run
There's Still Time To Change The Road You're On

Your Head Is Humming And It Won't Go
In Case You Don't Know
The Piper's Calling You To Join Him
Dear Lady Can You Hear The Wind Blow
And Did You Know
Your Stairway Lies On The Whispering Wind

And As We Wind On Down The Road
Our Shadows Taller Than Our Soul
There Walks A Lady We All Know
Who Shines White Light And Wants To Show
How Everything Still Turns To Gold
And If You Listen Very Hard
The Tune Will Come To You At Last
When All Are One And One Is All
To Be A Rock And Not To Roll

There's A Lady Who's Sure
All That Glitters Is Gold
And She's Buying A Stairway To Heaven
And When She Gets There She Knows
If The Stores Are All Closed
With A Word She Can Get What She Came For

There's A Sign On The Wall
But She Wants To Be Sure
Cause You Know Sometimes Words Have
Two Meanings
In A Tree By The Brook There's A Songbird
Who Sings
Sometimes All Of Our Thoughts Are Misgiven

There's A Feeling I Get
When I look To The West
And My Spirit Is Crying For Leaving
In My Thoughts I Have Seen
Rings Of Smoke Through The Trees
And The Voices Of Those Who Stand Looking

And It's Whispered That Soon
If We All Call The Tune
Then The Piper Will Lead Us To Reason
And A New Day Will Dawn
For Those Who Stand Long
And The Forests Will Echo With Laughter
